Shree Datt Industries

Providing the best CNC Services Work to customers.

WELCOME TO

Shree Datt Industries

Shree Datt Industries is a leading manufacturer, exporter, and supplier of high-performance CNC and VMC machined components. With a strong foundation in precision engineering, we specialize in CNC machining, VMC machining, EDM wire cutting, CNC lathe job work, fabrication, laser cutting, water jet cutting, and drilling & tapping. We also provide complete finishing solutions, including nickel-chrome plating, hard chrome plating, hard anodizing, and electroless plating.

Established in 2007, we have been delivering superior-quality components that meet the highest industry standards. With over 17 years of expertise, our state-of-the-art infrastructure, advanced machinery, and skilled workforce enable us to provide precision-engineered solutions for diverse industrial applications.

At Shree Datt Industries, we are committed to innovation, quality, and customer satisfaction. Whether you require custom machining solutions or high-volume production, we ensure precision, durability, and efficiency in every component we manufacture. Our dedication to excellence has earned us a strong reputation in both domestic and international markets.
